

Your Key to Unmatched
**BUSINESS
GROWTH**

Get started on Biz Analyst – Now available on mobile and desktop!

Key Features

Discover the tools that lead to outstanding business performance.

Powerful Dashboard

Get real-time updates on your sales, earnings, and customers in one go. Make smart decisions based on accurate information.

Insightful Reports

Check information about your profits, sales, customers, stock, & supplier data. Find hidden trends, streamline operations, and boost your profits.

Empowered Sales Team

Control your team's access to data. Increase productivity, close deals quicker, and see your sales grow.

Inventory Control

Track items and suppliers with ease. Stay organized, optimize stock levels, and run your business smoothly.

Simplified Data Entry

Save time and reduce errors by creating sales invoice, sales orders and other vouchers on the go via mobile app.

Auto-Payment Reminders

Track your upcoming payments and get paid faster by setting up bulk reminders.
